

Yowly's my name! Hello there.
Looks like you found my little lair.
I'm sorry about all the mess...
I sure was not expecting guests!

I don't often have friends around.
I know, that fact may well astound.
Although, it's not that I'm too shy
Or sad - let me tell you why.

You often see friends hanging out.
They walk, they run, they play, they shout.
But what if I told you today
Not every friend likes things that way?

Some of us prefer our space,
To have our own nice, quiet place.
We'd rather chill and watch the clouds
Than be part of big, lively crowds.

That doesn't mean you need to stress
That you love your friends any less.
It's not a bad thing, it's no crime
To not be with them all the time.

You should know, it's never wrong
To not want to come along
When friends want to go out somewhere.
That's practicing your self care.

That's the way I feel, you see!
It's just a part of being me.
Now, I'm not lonely. That's not so.
Is wanting space a bad thing? No!

If you want to be left alone
And spend some quiet time on your own,
Take it from this dragon cat...
There's nothing at all wrong with that!

~
