

My name's Rumble! How are you?
It's lovely meeting someone new!
I'm big, and red, and very tall!
I love to be a friend to all.

I love to make friends any day.
The more the merrier, as they say!
I miss them when I'm alone,
And when I have to stay at home.

My friends are great! They're so much fun!
I hate to be the only one,
So I go with them everywhere.
With them, I have no worries or cares!

I get so happy to spend time
With my friends! It's so sublime.
But when it comes to play and such,
I know I can be a bit much.

I tend to forget personal space.
Friends might not want your embrace.
They might not want to spend their time
With you. But here's the thing - that's fine!

You see, it is important that
If your friends do not want a chat,
You let them have time to themselves.
Don't want them to be overwhelmed!

Every friend is different, see.
They might not want your company.
Remember, though, that doesn't mean
They don't love you or aren't so keen.

Respecting your friends' boundaries
Is key to keeping them happy.
It can be tough, I know it's true.
But if I can do it - so can you!
